## II. Statement of Claim:

Alexandra Militano  
District Attorney's Office Bronx County

State as briefly as possible the facts of your case. Describe how each of the defendants named in the caption of this complaint is involved in this action, along with the dates and locations of all relevant events. You may wish to include further details such as the names of other persons involved in the events giving rise to your claims. Do not cite any cases or statutes. If you intend to allege a number of related claims, number and set forth each claim in a separate paragraph. Attach additional sheets of paper as necessary.

A. In what institution did the events giving rise to your claim(s) occur?

\_\_\_\_\_  
 \_\_\_\_\_

B. Where in the institution did the events giving rise to your claim(s) occur?

\_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_

C. What date and approximate time did the events giving rise to your claim(s) occur?

October 3, 2010 at approximately 10:30 a.m. the initial event  
giving rise to my several claims arose.

Though wanted posters were posted in various places at the site of the incident which was just up the block from where the plaintiff lived, and had lived in very close proximity to, the police, for over 3 months did not receive a solid tip that the plaintiff was the perpetrator in that incident.

And though the complainant had a clear look at the perpetrator, she described him as being 6 feet tall when the plaintiff is 5 feet 4 inches tall. <sup>to the police</sup> The police conducted a line-up in which all the participants were sitting and not standing next to one another, which had they been, the disparities in height would have been clearly apparent, the complainant is said to have picked the plaintiff out of the line-up which did not include the person the police got the initial tip about or any of the other people they likely received a tip about.

After the plaintiff had been in the custody of the sheriff for 10 months, a second complaint was filed naming him as the defendant even though the complainant was unable to identify the plaintiff. The police and prosecutors claimed that they were unable to identify this complainant until August of 2011 which is why they hadn't filed process with the court, yet police records show that they had spoken with the complainant in early October of 2010 (October 6, 2010). (The plaintiff had for

18 months been unable to make the \$5,000 bail or the \$1,400 bond that had been set).

Plaintiff wishes to have this complaint amended to include the details for each cause of action which includes but is not limited to: Malicious Prosecution, violation of his due process rights, prosecutorial Misconduct, cruel and unusual punishment, conspiracy, denial of a fair trial

D. Facts: <sup>seized</sup> On October 3, 2010, plaintiff was arrested in home when two detectives made a warrantless, non-consensual entry where there were no exigent circumstances, and charged with the misdemeanors of Forcible Touching, Second degree sexual abuse, endangering the welfare of a child and public lewdness, for an incident alleged to have occurred on June 17, 2010.

What happened to you?

Who did what?

Was anyone else involved?

Who else saw what happened?

On approximately June 23, 2010 the police took the video of the incident to 1 Police Plaza to get media exposure for the incident, ~~for the~~ Shortly thereafter, the police received at least one tip regarding the identity of the individual on the video or in the pictures taken therefrom. The individual identified in this one particular tip (there were likely numerous tips about the identity of said individual that the police did not bother to follow-up on or investigate, plaintiff ~~or~~ chose not to turn over to the District Attorney's office or the eventual defendant) was not the plaintiff in this action. The police, prior to arresting the plaintiff, on a single occasion, briefly canvassed one of two locations that they were informed of by the person that gave them the tip, and that was the extent of their inquiry into that person identified as "Luisito". They failed to make any further inquiry into that or any other individual/s identified as the potential perpetrator when a reasonable person would have done so. This information was not turned over to the plaintiff until nearly 3 years after his arrest. (See attached)
